Although I haven't known you for long I will always remember you. I think that our sister love brought us quite a few laughs.

Even though we are going to different colleges I sincerely hope that we can get together at the Class Reunion next December.

Here is to a happy and successful gal who really will go far in this world.

As ever,

Dear Darlene,

Golly, seems funny, doesn't it,  
we finally made it - BIG GRADS!  
Only we don't seem too big, do we?

I sure have valued your friend-  
ship, Darlene, I'm so glad we're  
gonna still be pals up at Ago. You  
sure have given me lots of helpful  
advice and boy! there were times  
I needed it! The jolly times we've  
had together just talking and the  
crazy trips to "outside territories";  
the plots and plans, the Winter-Summer Dance (ugh!)  
we both had so much fun ?? and - oh! remember  
summer sprinklings? Not too crazy! I know  
we'll have even neater times together, tho

I wonder if we'll be able to see  
too much of what's going on! ~~and~~!  
Wonder how we'll make out in  
your little put-put! Haha! Funny  
how we've had mutual likes and  
dislikes, huh? At least we don't  
always like the same boys! Just  
the tall, dark, crew-cut, Lakewood  
variety. - "uh-ye-ah!"

see also the  
very cards of  
your ♡, huh?

Well, here's to lots  
more great times - a toast  
to C.A.M. - one thing to learn, huh?

Love always,

Mary Anne

P.S. I don't care what you say,  
you're the greatest and really  
"ya have it on the ball"! No lie! You'll  
always be tops!

To no one person can more credit be given in the Rebel field of athletics than the coach, who by experience and a great knowledge of sports can fashion from a group of enthusiastic, inexperienced athletes a highly polished precisioned team. Working tirelessly these coaches know the sting of defeat and the joy of victory as they continue to guide and train their teams during the seasons. To these men we give full recognition for the wonderful job they have done.

Finishing in fourth place in the Prep League race, the Rebs had shown a tie with a strong North squad, a smashing win over a determined Manual, and a last game victory over the West Cowboys to close out their season. A long sustained drive to score was the Rebels' answer to the Vikings' second quarter tally, as they went all the way for the T.D. tying the score at 6 to 6. Both conversions failed.

A Rebel fumble, a 57 yard pass play and a 53 yard run spelled victory for the Angels, as a determined Rebel eleven found it impossible to move against the East forward wall.

Things looked dark for the Rebs, judging from their pre-season record, but they boomed into the win column by coming from behind to trounce North in their first league start. Then the Rebel hoopsters went into a slump and fell before East, Manual, and West in succession. South dropped their second round game with North despite a valiant last quarter rally.

Then the inevitable came as the Rebs dumped East's first place Angels in a nerve-racking sudden death overtime game. The fire in the Reb camp dwindled once again as Manual downed the Rebs to expell all hope of gaining a State Tournament berth. Before the end the Southerners came through like the great team they were to slaughter the West Cowboys in a revenge game.

SOUTH 58, North 53

Coach Wilson's Rebel squad opened their '53-'54 season in the Prep League with a smashing win over highly rated and surprised Viking squad. Lester's 18 points and excellent rebounding along with DeRoos' clearing and Rader's long shots kept the Rebs on top as they came from behind to win the point for point game.

SOUTH 35, East 44

The Angels' defense stopped the Rebs cold as they couldn't get the range or break under for the layup. Throwing a flexible defensive net around DeRoos proved to be the difference

SOUTH 47, Manual 58

Fighting to overcome a dead-eye Manual team, the slow starting Reb hardwooders pulled to within 3 points at the half. The second half spelled their downfall as their offensive drive froze.

Downtrodden by a 3 game losing streak, the Rebels tried for their second win over North. Rader and DeRoos pooled 38 points, but to no avail as North stuck it out in the final seconds of the game.

SOUTH 47, East 45

Amidst the pandemonium of 3,000 cheering fans, Rader calmly pumped in two free throws to cinch the game for South in a sudden death overtime. The gruelling point for point game showed the terrific pressure that was on both clubs in the second overtime as both teams blew easy shots.

## three years are completed . . .

Hi Darlene,

See, I can't begin to tell you all the things I'd like to say. Your friendship has meant to me, at South and in Star. Your advise has really helped me when I needed help, and believe me, I've needed it!! Tuh?

See, we had fun in Home Living. I really enjoyed it, but only because you were in there.

Darlene, you're one of the sweetest gals I know. You've always got a smile for everyone. Always stay that way. I know you'll go a long way college, and sooner or later I'll see you up there.

Pittsboro,  
Jayce

# senior

When we are remembering South . . . the tower will be one of the first memories that will form in our mind's eye . . . symbolizing wonderful times . . . hard work and many life long friendships.

Mr. John Temple and Mr. Lawrence Watts have given time and service the Class of '54 . . . we owe much of the success of our class to these two outstanding sponsors.

Darlene,  
It's really  
been great being  
here at South  
at the same  
time as you.  
You're a really  
great gal with  
a terrific person-  
ality. Here hoping  
you have all  
the luck in the  
world in the  
future.  
Love,  
Diane  
Gardner

Always ready to give the Class of '54 a helping hand, is Mr. John Temple.

Mr. Lawrence Watts directed the senior class in its many activities.

"A thing of beauty is a joy for ever." Keats

Dear Darlene,  
Well Kid we  
finally made  
it. I sure am  
going to miss  
Senior Food and  
all the fun  
we've had.  
I hope you  
will have all  
the luck in the  
world. You really  
deserve it.  
Best love  
in the future  
Wendy

Eight girls were selected from the Class of '54 to work with the R.O.T.C. unit at South High School . . . these girls have spent many hours helping the R.O.T.C.

Students at South realizing their responsibility to their country . . . have taken part in many activities that have taught them the importance of our democratic way of life.

Our first year at South was filled with many new experiences and adventures.

After the first week of wandering through the halls . . . learning that Senior Hall was not for Sophomores . . . that upperclassmen really didn't sell elevator passes . . . we began to fit into the normal pattern of life at South.

We climbed aboard a Southern train for our Sophomore show . . . calling it "Soph and Southern Specific."

After a year of conquest and exploration . . . we were now ready for the next step in our journey.

Sophomore Purple and White Day Royalty, Barbara Anderson, Anita Gehrke and Evelyn Gentry (not present).

Girls Dance Line: Merry Miller, Gwen Smith, Nancy Tatum, Adele MacDonald, Kay Pusey, Gerry Anderson and Carlie Cromar.

# memories

Junior Class Officers: Bill Warner, Eva Merrill and Ken Custer.

We were now a part of South . . . each of us was accustomed to the idea of senior high school.

Our second year was filled with many activities . . . in April we experienced our first prom . . . "Medieval Magic" . . . our class show took us to the deep South to the Mardi Gras.

We had been working for two years . . . we were ready to assume the responsibilities that would be ours in our senior year.

Dave Scholty, Everett Perkins and Pete Sterner frolic in the Junior Show.

Junior Prom Royalty: Georgia Rehm, Karen Jorgenson and Carilouise Wood.

As I near the end of my senior year, I feel one part of our life is over and another is about to begin. The past six years have sure been great and I'll never forget the good times we've had together. For our friendship, let's hope that can continue for a long time. I'm looking forward to lots of good times at Aggies with you. The best of luck to a wonderful Gal.  
Love, Pat Green

Suddenly our senior year was upon us . . . we lived each moment as though it were our last . . . we enjoyed all of the activities to their fullest.

Early in the year we began making plans for our Senior Prom . . . "Reflections in Snow" . . . many weeks of hard work went toward the planning of our last class show . . . its theme revolved around music . . . three movements depicting our three years at South.

Now our life at South has come to an end . . . we will always cherish the memories of the busy and fruitful years . . . we were students working for new horizons.

Gail Merriman singing "You Can't Get a Man With a Gun," in the Senior Show.

Senior Prom Royalty: Elaine Nyberg, Rosemary Carlson and Kay Pusey.

South's spirit is greatly reflected in all of the student body . . . this spirit is often brought to a high peak by our tireless cheerleaders . . . the backbone of South's spirit.

And now we have left South . . . taking with us the memories of three wonderful years, and a hope for prosperous life ahead.

Student Body Officers: Bud Rauscher, Karen Jorgenson and Nancy Miles.

"This is our life" . . . a year of activity never to be forgotten . . . a composite of accomplishments and failures to live forever in the heart of each of us. . . Here, in your own 1954 Johnny Reb, the staff hopes you will find a permanent record of all those memories you wish most to retain . . . and that with the turning of each page, you may find yourself back again, a living part of a wonderful year.

From the theme to the final deadline, the most earnest effort has been made to preserve the intangible spirit of life at South . . . in scenes designed by chosen artists . . . in words written by creative Rebs . . . in pictures produced by skilled photographers . . . every editor striving toward perfection.

To you we now offer a year of life within the pages of a book. May your Johnny Reb serve to immortalize every hour for the best it had to give.

South. I'm really  
enjoyed knowing  
you and here's  
wishing the best  
of luck and happiness to

Love  
Lynne Miller

Darlene,  
These past three years  
have really been full  
of fun and happiness.  
We've really had some  
swell time.  
Loads of luck with  
the farm boys at  
Aggies.

Always,  
Margie  
Loty '59  
P.S. Don't forget  
Oakwood.

Dear Darlene,  
Hey! We have had a gay  
time in skating. We really  
enjoyed some (heart?) most of the  
on the other going to the  
of friends and I hope you will really  
have good of fun at it.  
Best of luck & love  
always  
Lynne  
Miller

Dear Darlene,  
 We've known  
 each other for such  
 a long, long time; but  
 I hope the fact that we've  
 not had much chance to  
 see each other often will not  
 mar our friendship.  
 Best of luck always,  
 Elinor Aptano

Dear Darlene  
 It's really been a  
 pleasure knowing  
 you these past years.  
 You're a really sweet  
 gal. Always stay  
 as sweet as you are  
 love,

Cathie Holb.

Dear Darlene,  
 We've sure known  
 each other for a long time  
 and have sure had lots  
 of fun. You're really a  
 swell gal.  
 Best of everything.  
 Mary Lynn  
 Feitzly

Dear Darlene,  
 It's been so long  
 knowing you  
 and you're  
 still so sweet  
 and kind.  
 I hope you  
 are always  
 happy and  
 successful.  
 Love,  
 Kenneth

Dear Darlene,  
 Here's wishing the best always  
 to a real SWEET Kid.  
 Love,  
 Jacques

Darlene -  
 Here's to a real  
 star sister - we've sure  
 got a lot of neat times to  
 remember.  
 Live it up for me at Aggie's!  
 see you at the reunion,  
 Arizona State

Dear Darlene,  
 I hope you have  
 great fun knowing your  
 through South.  
 Best of luck  
 always.  
 Love you,  
 Virginia Behm

Dear Marlene,  
Golly, it's been loads of fun being  
in "Gtal" and doing things with ya!  
Was fun using the sun-lamp - huh?  
Even tho' we just used it that once  
together. I prob'ly will get skin cancer?  
Guess not 'cause I already have it.

Thanks gobs for being so sweet  
and understanding when it came to  
answering my problems about boys.  
You really helped a lot and I appreciated  
it. You probably think I'm awfully  
crazy about boys, but not really  
about all of them - just a few (40 or  
maybe 50?). Course I never act like  
I like any 'cause all I do is run  
down the hall (that is you, Mary Anne,  
and I), peering around corners, in  
windows, under staircases, in trash  
cans, and just everywhere to see \_\_\_\_\_,

\_\_\_\_\_ or \_\_\_\_\_,  
Then there was our trip to  
Tellens. Let's see now what happened  
that particular night? Can you remember  
Or maybe you can remember what  
happened at a certain basketball game  
out in the fair town of Lakewood.  
What was that boy's name? I think  
it was \_\_\_\_\_! Was  
that his name. I've forgotten who  
I went with too! He wasn't very neat  
and I didn't like him very well really.  
It was just in my head, in everyone  
else's too that that I liked him! Ha!  
Ha! Shall we laugh now or later?

I still think you should speak  
to him, 'cause it wouldn't hurt you  
and he's just a neat guy and you'd make  
a cute couple.

Now Babe, don't elope 'cause  
it isn't nice to leave your parents.

Love ya' lots  
Barbara

Darlene  
Haven't we had  
fun fun in cooking.  
Best of luck in the  
future cause you sure  
deserve it. When we get  
old and grey we can look  
back on these tender memories.  
Always  
Ginger  
Gleenschultz

Dear Darlene  
I believe we will sure make  
you seniors. I want to wish one of the  
sweetest & luckiest girls in the world  
I know all the luckiest girls in the world  
You are a wonderful girl & I  
Love you always  
Love, Anna
